Life's about film stars and less about beautiful mothers
 It's all about fast cars and passing each other
 But it doesn't matter cause I'm packing gigantic plastic
 and that's what makes my life so f***ing fantastic

And I am a giant weapon of massive consumption
 and its not my fault it's how I'm just programed to function
 I'll look at the sun and I'll look in the round mirror
 I'm on the right track yeah I'm on to a winner car

[Chorus]

[Bridge]

Forget about big guns and forget my ammunition
 Cause I'm killing them all on my own little mission
 Now I'm not a saint but I'm not a total sinner
 Now everything is cool as long as I'm getting thinner

[Chorus]
